

FISTS 25TH ANNIVERSARY COFFEE/TEA MUG.

MUG OFFER IS NOW CLOSED!

**THANKS TO ALL WHO SUPPORTED
THE PROJECT!**

I have decided to commission a 25th anniversary drinking mug. They are priced at £4.99p excluding delivery costs.

As you will see from the images we can offer a mixture of styles.

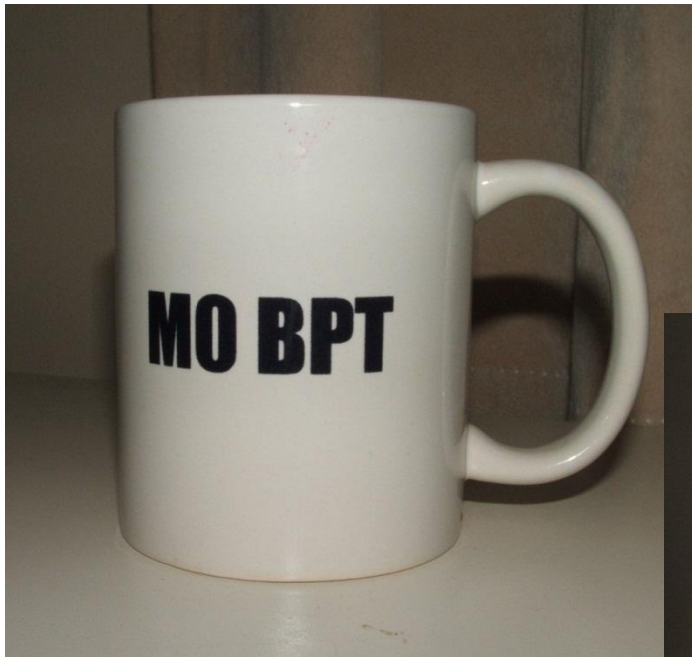

The stock mug will show a view of the 25th anniversary logo full face, in colours of either black or lilac.

Other options available will be to personalise the mug with your callsign, either below the 25th anniversary logo, or at the opposite side of the mug. As

shown in the images. The gap between the the call-sign letters i.e "M0 BPT" will not be present in subsequent orders. These are sample images for information only

They will make an excellent addition to your shack as a memento of our 25th year,

and you can even fill it up with whatever beverage you enjoy whilst chatting with other FISTS members!

Should you be interested in owning one, then in the first instance contact me. m0bpt@yahoo.co.uk
